1. Dr. Raffeiner, the Secretary General of the SVP (Volkspartei) is reported to have carried on private negotiations with representatives of the Trentino and Cortina in regard to the confines of the autonomous provinces of the South Tirol and the Trentino.
2. The incorporation of Cortina into the autonomous province of the South Tirol is envisaged if the South Tiroleans agree to Fasantal's (sic; probably Val di Fassa) inclusion in the autonomous province of Trentino. However, if this exchange is impossible, the people of Cortina will advocate regional autonomy for the South Tirol and the Trentino.
3. Mistrust of Raffeiner has allegedly increased among the more nationalistic SVP leaders as a result of these negotiations.
